## Minute 1: Introduction of the new MANRS Steering Committee member

The new MANRS Steering Committee member - Nicolas Fiumarelli - introduced himself to the MANRS Steering Committee and was welcomed.

## Minute 2: Update on various MANRS activities

- An update of the MANRS transition from the Internet Society to the Global Cyber Alliance was shared.
- Andy Clyde gave an update on the MANRS Observatory and the publishing of Action 1 scores.
- Upcoming events that involved MANRS were mentioned as the Routing Security Symposium, the MANRS Community meeting at RIPE 87 (both on the 28<sup>th</sup> of November) and a remote MANRS presentation during the Global Conference on Cyber Capacity Building between the dates of the 29<sup>th</sup> to the 30<sup>th</sup> of November.

## Minute 3: AOB

- It was agreed that a calendar of events of MANRS Community meetings taking place in 2024 be made available in order to facilitate planning and participation. A team from the Internet Society and the Global Cyber Alliance would prepare this calendar of events and share with the Steering Committee as soon as it was available.
- A team from the Internet Society and the Global Cyber Alliance would be meeting to discuss the transition of the MANRS Steering Committee meetings with the next MANRS Steering Committee meeting to be organized by the Global Cyber Alliance. Andrew Gallo will be invited to the discussion to provide input from the MANRS Steering Committee into the organization of future Steering Committee meetings.
- It was agreed that any pending MANRS Steering Committee minutes from 2023 to be adopted before the end of 2023. It was noted that all meeting minutes were known to be in good order.

There being no other minutes, the meeting was closed.
